## **MIAMI RECOGNIZED FOR PERFORMANCE MANAGEMENT LEADERSHIP**

**Washington, DC, July 14, 2016**—The International City/County Management Association (ICMA) is pleased to announce that Miami, Florida, is being recognized for its performance management efforts with a Certificate of Achievement from the ICMA Center for Performance Analytics<sup>™</sup>.

“The certificate program recognizes communities that have demonstrated leadership in continuous improvement and community engagement using performance analysis,” said ICMA Executive Director Robert J. O’Neill, Jr. “Performance analysis is an integral component of professional local government management, and jurisdictions meeting the certificate qualifications serve as examples for other governments to follow.”

ICMA assesses a local government’s performance management program and encourages analysis of results by comparing to peers and gauging performance over time. Performance management aids in cost reduction, program prioritization, and quality improvement. It also encourages accountability and transparency. Certificates are awarded at the levels of Achievement, Distinction, and the highest level, Excellence. Miami is among ten jurisdictions receiving the Certificate of Achievement, and one of 52 recognized overall.

Criteria for the Certificate of Achievement include:
